PERSONAL PROJECTS

Next to my education I also worked on side projects to improve my knowledge and understand different parts of my field. Below are the projects I have finished so far.

1. INSTAGRAM THREAD CLONE (MERN)

Developed a MERN stack-based web application mimicking Instagram's thread functionality.

2. PORTFOLIO (REACT JS, GSAP AND FRAMERMOTION)

A concise overview of my key projects and skills, showcasing my professional journey and dedication to innovation in technology. (<https://abhaypanchal.vercel.app/>)

3. DICE ROLLER

A dynamic and interactive dice roller game crafted using React.js. Players can roll virtual dice with a click, simulating the thrill of a real-world dice roll.
